The payment form includes a placeholder image on the left and a 'Payment Information' section on the right. The 'Payment Information' section contains three input fields: 'card Number', 'expiry Date', and 'cvv'. Below the input fields is a red error message: 'All billing fields are required.' At the bottom of the form is a blue 'Place Order' button.

The payment form is shown with a validation error. The 'card Number' field now contains the value '3423432432'. Below the input fields is a red error message: 'Card number must be a valid 16-digit number.' with a red arrow pointing to the 'card Number' field. The 'Place Order' button is still present at the bottom.
